ENERGY FORUM + SC B5 International Colloquium

The Leading Power System Event in Canada

Join us in Toronto!

September 20-23, 2027
Westin Harbour Castle • Toronto, Ontario

As the torch passes from CIGRE Energy Forum Calgary to Toronto, we are proud to welcome the global power and energy community to **CIGRE Energy Forum 2027**. Building on the momentum and collaboration fostered in Calgary, Toronto will serve as the next gathering place for industry leaders, innovators, and experts shaping the future of energy systems worldwide.

In addition, the **International CIGRE B5 Study Committee**, Protection and Automation, will be hosting its Colloquium as part of the CIGRE Energy Forum 2027, drawing in additional international audience of specialists.
