CONNECTING MY STAND

INTERNET

WIFI

WIRED INTERNET

Each stand is connected on WIFI 2Mbps speed connection (included in the exhibitor's package). Should you need more internet or wired internet, please order from VIPARIS

The digital age has arrived. This is why you need an installation that best fits your needs. Do you need a turnkey solution, so that you can be up and running immediately? VIPARIS's plug-and-play options provide Internet connections that are automatically configured in DHCP. You can enjoy immediate access to a private IP address, at rates which vary depending on bandwidth. Please contact Exhibitor Services to find out more.

Useful tip:

If you have several devices to connect to the network, you can order additional services (switching, cabling, etc.) or fill out the quote request form.
